Correction: Magnesium intake and all-cause mortality after stroke: a cohort study

Mengyan Wang¹, Jianhong Peng¹, Caili Yang¹, Wenyuan Zhang², Zicheng Cheng^{3*} and Haibin Zheng^{1*}

Nutrition Journal (2023) 22:54

<https://doi.org/10.1186/s12937-023-00886-1>

Following the publication of the original article [1], the author reported that in Fig. 1, the number of participants without self-reported stroke was 99,119 when it should be 58,444.

The original article has been corrected.

Published online: 14 November 2023
